
IV2477X

iVSEC Small Conduit Junction Box

Product Overview

The iVSEC IV2477X camera mounting bracket is a game-changer in the world of surveillance equipment. Its versatile design and robust construction make it an invaluable accessory for camera installations of all kinds. Featuring a smart cable management system, it not only keeps your setup organized but also shields your cables from external factors, ensuring longevity. Moreover, its adaptable design and easy adjustment allow for seamless installation, providing flexibility for various surveillance scenarios.

What truly sets the IV2477X apart is its resilience. Crafted from high-quality materials, it can withstand the harshest environmental conditions, boasting an IP66 rating.

This makes it ideal for both indoor and outdoor use, offering dependable support in diverse settings. Whether you're securing a residential property or a commercial space, this camera mounting bracket elevates your surveillance game, guaranteeing stability, protection, and peace of mind.

In addition to its durability and adaptability, the IV2477X stands out for its aesthetics. Its sleek, unobtrusive design seamlessly integrates into any environment, providing a neat and professional appearance. With the iVSEC IV2477X camera mounting bracket, you're not just enhancing the security of your space; you're doing it with style and efficiency.
