EASY INSTALLATION

See every detail in rich, 4K Ultra HD

- State-of-the-art security camera with outstanding 4K Ultra HD video image clarity from 4x more pixels than 1080p & enhanced digital zoom providing close-up detail that has to be seen to be believed
- These cameras have EXIR LEDs that emit a rectangular pattern for a more crisp and even night vision image. EXIR LEDs reduce over-exposure at the center of images and reduce darker areas at the corners, allowing you to see in the dark like never before for up to 100ft/30m
- See everything with Swann's 4K Ultra HD Day/Night cameras in a super wide 75° field of view. Wider viewing angle allows you to see detail you might otherwise miss
- Built to suit any conditions with weather resistant rating of IP67 for indoor & outdoor use & an extra-long 100ft/30m network cable
- This camera can only be used in combination with Swann's Ultra HD Network Video Recorders including NVR4-8000™, NVR8-8000™, & NVR16-8000™ for cutting-edge IP surveillance^
- Get Closer with Enhanced Digital Zoom. Zoom in to capture extra detail such as license plates, clothing colours or facial features in stunning 4K ultra HD. Cover a wider area with fewer cameras with the ability to zoom into one spot in the picture
