

IV2493X

iVSEC Corner Adaptor Camera Mount

Product Overview

The IV2493X corner adaptor mount is a versatile and durable solution designed to expand your CCTV installation options. Ideal for securing surveillance cameras to the corners of buildings, this mount allows for comprehensive coverage and optimal camera placement to monitor areas seamlessly. Constructed from high-quality materials, the IV2493X ensures long-term stability and resilience against the elements, making it suitable for both indoor and outdoor use.

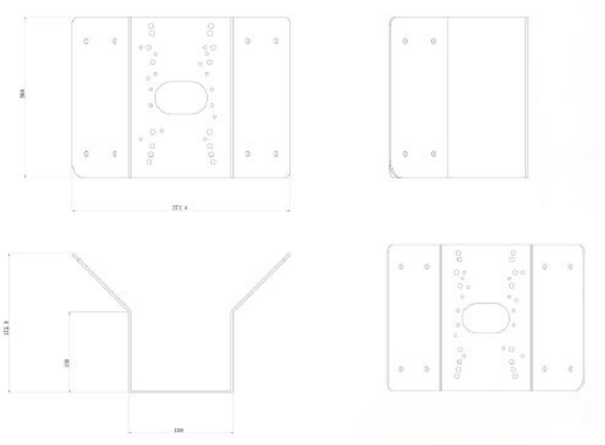

The mount's robust design guarantees reliable support for your cameras, while its easy-to-install format simplifies the setup process, ensuring a secure and professional finish without extensive effort. The IV2493X is specifically engineered to enhance the capabilities of your security system, offering an innovative approach to maximise surveillance angles and reduce blind spots, essential for maintaining top-notch security in challenging environments.

Compatible with various iVSEC camera mounts, including the IV2422X*, IN2433X, IV2455X, IV2456X*, IV2457X*, IV2477X*, and IV2491X, the IV2493X corner adaptor mount provides flexible integration into existing or new CCTV setups. Enhance your security infrastructure with this reliable corner mounting solution, ensuring your cameras are positioned for optimal surveillance coverage and ultimate peace of mind.

Material Housing	ADC12
Material Screws	Stainless Steel 304
Colour	White
Load Bearing Capacity (kg)	6.0
Temperature Rating	-20°C to 60°C.
Humidity Rating	≤ 95% Relative Humidity
IP Rating	IP66
In the Box	Bracket, Screws, Allan Key

Weight (kg)	0.4
Warranty	3 Years
Compatibility List	IV2422X*, IN2433X, IV2455X, IV2456X*, IV2457X*, IV2477X*, IV2491X
