

Intercom upgrades made easy.

Entry Series: Standalone analogue upgrades for existing intercom systems

The Entry Series Intercom Kit is a standalone analogue intercom system, ideal for upgrading older intercom systems wired with 4/6-core alarm cable. Experience modern intercom features such as video & two-way talk in one convenient, entry-level package.

- Analogue door station with 1.3 megapixel camera
- Slim 7" touchscreen indoor intercom monitor
- Single button door station for visitor ease-of-use
- Door stations call connected indoor monitors (max. 3)
- Live view any connected door station or camera
- Interface with most electronic door strikes & sensors
- Ideal for replacing old analogue intercom systems
- Add an analogue camera for live view *(not included)*

Entry Level Analogue Intercom

Live View with Analogue Camera

Two-way Talk & Door/Gate Unlock

Crucial evidence. Always.™
