## Extra Camera, More Security

Add this camera to your Swann Professional NVR-8580 wired security systems^ with the ability to see more detail than before, in amazing Super HD

**HD**

## See & Hear Everything in Super HD

With 5MP Super HD video you will be able to see facial detail, license plates and clothing colors, while the built-in microphone captures audio to add an extra layer of evidence

## Protection 24/7

Mount the camera inside or outside to know what's happening at any hour with powerful infrared night vision up to 115ft / 35m & the ability to see color video at night up to 100ft / 30m# with the super bright sensor spotlights on

## Heat Sensing

Swann's True Detect™ heat & motion-based PIR detection reliably captures & records activity, with reliable push notifications\* & fewer false triggers

## Prevent Unwanted Activity

The camera turns the lights on & triggers recording when it detects heat. The 2-way audio & siren let you talk back & scare off intruders. It's high tech security working for you!

# Spotlight Extra Security Camera

**5MP**

**2.4x Clearer  
than 1080p HD**

Add-on camera with sensor spotlights for NVR-8580 Systems

**See** what's happening from anywhere 24/7

A wired security camera that can be added to Swann's Professional NVR<sup>^</sup> line to see what's happening in 5MP Super HD & stay connected on your Smartphone

**Detect** the heat of people & cars\*

True Detect™ senses the heat from people, cars & large animals to send you push notifications & trigger video recording to the local hard drive. It's truly reliable security!

**Safeguard** loved ones, pets & property

Give burglars everything they don't want! Sensor Spotlights turn on when activity is detected, the speaker can sound a siren & you can even talk back to scare them off in the act! It's security made smarter!
