Reliable Wired Connection

Protect your loved ones & property with this multi-camera, wired surveillance system with everything you need to do-it-yourself or have it professionally installed

Heat Sensing & Audio Capture

Swann's True Detect™ heat & motion-based PIR detection reliably captures & records activity, with fewer false triggers & reliable push notifications

See Everything in Ultra HD

See faces, license plates, packages & capture audio with state-of-the-art 4K Ultra HD, that's 4x clearer than 1080p with powerful digital zoom – ensuring you won't miss a thing

Set & Forget

Enjoy local recording for up to 150 days+ onto the massive 2TB hard drive with no fees ever. Save still images directly to your Dropbox account to have image evidence safely stored off-site

Protection 24/7

Know what's happening at any hour with powerful night vision up to 150ft/45m in total darkness (200ft/60m with ambient light) & the ability to see color video at night. Add 8 more cameras for full 16 channel monitoring.

Security Made Smarter

Cut the cost of crime & know what's happening with this comprehensive Ultra HD security system to suit large homes, offices, small businesses & retail stores

Smart Security System Professional NVR Series

4K ULTRA HD

8 x 4K Ultra HD Cameras
Expandable to 16 Cameras

See what's happening from anywhere 24/7

A wired security system that allows you to see & stay connected at any time on your Smartphone or tablet

Detect the heat of people & cars

True Detect™ senses the heat from people & cars to send you push notifications & trigger video recording to the local hard drive. It's truly reliable security!

Speak to control what you see

Use voice commands, via the Google Assistant & Chromecast, to see video from the cameras on your TV. It's now even easier to see what's happening at home

Know when a package is delivered

Porch pirates beware! Now you can see when your package has been delivered, so you can go get it right away or notify a neighbor to put it somewhere safe

Safeguard loved ones, pets & property

The cameras are like another set of eyes allowing you to check in on your family, pets & belongings at any time to see that everything is okay. It's security made smarter!

VIDEO ANALYTICS

Quickshot™ Cloud

Quickshot™ Time Lapse will display a slide show from all channels so that you can filter multiple channels at once with the ability to save images to your personal Dropbox account
